Dear Mr. Marshall:

Thank you for contacting me to inform me of your organization's efforts to preserve *Argonauta*, the Kipahulu home of Charles and Anne Morrow Lindbergh. I wholeheartedly support your plans to transfer this historic property to the National Park Service. The Park Service will be able to protect and maintain the home and make it available for visitation by the general public, which in turn will create economic benefits for the surrounding community. For these reasons, I would be honored and pleased to become a member of the *Argonauta* Advisory Committee, consistent with the rules governing my activities as a member of the U.S. Senate.

Aloha pumehana,

DANIEL K. AKAKA
U.S. Senator
