Re: Argonauta

Dear Superintendent Parris:

On behalf of the Maui Historical Society (MHS) and its Board of Trustees, I express support of the project to save Argonauta, the home of Charles and Anne Morrow Lindbergh, by relocating it to the Kipahulu portion of Haleakala National Park.

The mission of MHS is to collect, preserve, study, interpret, and share the history and heritage of Maui. MHS is an advocate for preservation of Maui's historical sites and resources.

We have been informed that materials are available, and walls and foundation are in place, for the reconstruction of Argonauta as the Kipahulu Conservation Center. We respectfully request your leadership and assistance in accomplishing this project and preserving an important structure for posterity.

Sincerely yours,

\S\
